

After Sales and Support

Our Technical Support Team is highly trained to provide expert technical assistance on all of IHSE products and will be happy to answer technical questions or provide troubleshooting support as needed.

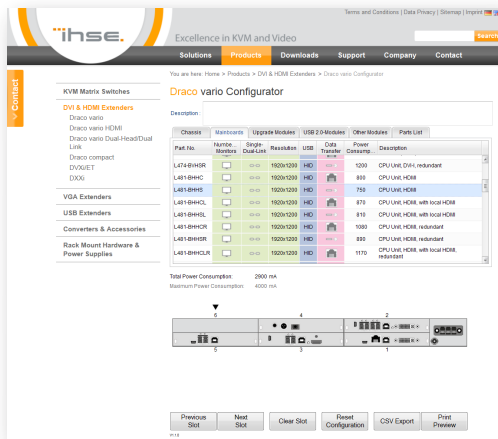

Online Support

At the support area on our website you will find up-to-date documents in PDF format like quick setup guides and detailed product descriptions, further updates & tools and much more. Take a look at www.ihse.com and benefit from our versatile online support and documentation.

Draco vario Online Configurator

IHSE provides a configurator for all Draco vario products. Check out our product site at www.ihse.com and select your preferred chassis. Equip it with your required boards and modules and simulate your fully loaded frame.

The configurator comes up with all regular Draco vario chassis, main boards, upgrade modules and USB 2.0 modules.

**Mounting bracket
 Quick Setup**

474-BRACKET

1. Installation

1. Remove the screws (4x) from the left and right side of the extender chassis.
2. Place the mounting brackets at the left and right side of the extender chassis.
3. Mount the brackets by using the provided mounting screws.
4. Fix the brackets of the extender to a surface (e.g. tabletop) by using the appropriate mounting materials (not included in delivery).

2. Specifications

2.1 Package Contents

You should receive the following items in your mounting bracket package:

- 2x Mounting bracket for 2/4/6 bay chassis
- 4x mounting screws
- Quick Setup

If anything is missing, please contact your dealer.

2.2 Dimensions for mounting

474-BODY2/2R

474-BODY2N

474-BODY4/4R

474-BODY6R / 474-BODY6BP / 474-BODY6BPF

3. Technical Support

Prior to contacting support please ensure you have read the quick setup and manual, and then installed and setup your device as recommended.

3.1 Support Checklist

To efficiently handle your request it is necessary to complete our checklist for support and problem cases.

<http://www.ihse.de/fileadmin/redakteur/pdf/support/checklist.pdf>

Please keep the following information available before you call:

- Company, name, phone number and email
- Type and serial number of the device (see bottom of device)
- Date and number of sales receipt, name of dealer if necessary
- Issue date of the existing manual
- Nature, circumstances and duration of the problem
- Involved components (such as graphic source/CPU, OS, graphic card, monitor, USB-HID/USB 2.0 devices, interconnect cable) including manufacturer and model number
- Results from any testing you have done

3.2 Shipping Checklist

1. To return your device, contact your dealer to obtain a RMA number (Return-Material-Authorization).
2. Package your devices carefully, preferably using the original box. Add all pieces which you received originally.
3. Note your RMA number visibly on your shipment.

Devices that are sent in without a RMA number cannot be accepted. The shipment will be sent back without being opened, postage unpaid.
